Thank you for your interest in joining our team. This is an opportunity to play an integral role in a school with a rich history at the vanguard of educational change. We have a powerful sense of the way in which we shall develop in the decades to come and we seek energetic professionals to join us and to help us to build and realise our vision.

We take pride in a school culture which is inclusive, and which is both forward looking and rooted, dynamic and yet caring. Through our rigorous and imaginative curriculum and a highly responsive pastoral system, we engender in our pupils the courage and ambition which

they will need to succeed and to play a constructive role in their wider community and society.

Our staff are the School's most valuable asset and we aspire to create a sector-leading environment in which they can work. We are committed to a thoughtful process of continuing professional development and we create multiple pathways for our colleagues to progress in their knowledge, skills and experience. We are fortunate to have built a strong sense of loyalty amongst our colleagues and we regard the stability of our staff body as a major strength. Many of our employees have built successful careers with us over a protracted period and the sense of community amongst us is strong. Opportunities for promotion and advancement are plentiful. Professional fulfilment is key to staff wellbeing, but so too is access to a range of additional benefits and we are responsive to this too – the happiness of its staff is critical to any organisation's ultimate success.
