# Termly Activities

At the heart of FIPS's activities are the scores of programmes we organise for pupils, parents and friends, or both. We publish a termly calendar of these activities and share prompts through the WhatsApp groups to alert you to take action (volunteer, donate, buy tickets etc.) when the time draws near.

# For pupils

We try our best to cater for pupils of all year groups in our provision.

## Movie Nights

Affordable movie tickets and snacks while watching a popular movie with friends in the school's state-of-the-art theatre.

## Christmas Bazaar

Our Prep School pupils have the chance to purchase pocket-money gifts for their loved ones.

## Senior School Raffle

Our Senior School pupils buy raffle tickets to participate in a draw, where they have the chance to win high-value items, such as Airpods, speakers, store vouchers.

## Santa and Easter Bunny's visits

Our Pre-Prep pupils are visited by Santa or Easter Bunny, depending on the season, and receive little treats.

## World Book Day book sale

We help celebrate the love of reading by offering three books for £1 (for charity) to our Prep Pupils.

## Clothes Swap

We co-operate with the ECO Society in Senior School to arrange this event, that aims to instil the concept of sustainability through fashion.

## Sports Day Cake Stalls

At the end of the Summer Term during sports days, FIPS runs a donation-based cake stall and hires the services of a coffee van.

# For parents and friends

The Great Hall provides a most beautiful setting for a number of pleasant evenings in the company of other parents, friends and staff, with food expertly prepared by the school's catering team and external providers hired for entertainment. While the theme varies from wine tasting, through quiz night to cultural evenings, FIPS' enthusiasm for organising them and their popularity in the parent body remain unchanged.

Equally well-received events on the calendar are our seasonal workshops, such as wreath-making and paint-along session, or our First-Aid courses.

# Fairs

By far the largest events on the calendar are our fairs, whether they are held in the festive season or in the Spring. They aim to bring together the whole community and offer plenty of entertainment, involvement through stage performances and self-run stalls for our pupils and willing adults (parents, friends, alumni), delicious food by the school's catering team, and shopping, where we decide to include external stalls. These fairs have a strong community feel and rely greatly on donations and volunteer help.

If you would like to be included in the organisation, please get in touch.
